

USDC - Eastern District of Texas / Clerk 11-15-2021

Excuse me,

Please answer the following questions in relation to "Case #6:20-cv-00071-JDK-JDL" that was Dismissed mostly without Prejudice and given a Suspended Statute of Limitations for 60 days for my Claims from November 5th, 2021 :

#1) When I refile my Claims, will there be another filing fee?

#2) Or can I do a "Motion for Leave To ~~Amend~~" File an Amended Complaint and work my way to fixing my Complaint under the same Case #?

#3) Or do I have to file a brand new Complaint about the same Case # or will there be a new Case #?

* I have never read about a Case where someones own Lawyer does so badly as mine did that it causes a Final Judgement like I received based off the failure of my Attorney to represent me so I'm truly baffled and extremely depressed & frustrated. It's sad as hell and I still have not received any form of communication from Attorney Tanika J. Solomon since August 14th, 2021 up til now at all. I'm trying to get all my things back away from her and do not want her legal representation whatsoever.

Please get back at me as soon as possible --- Thanks!

Sincerely,

Mr. Jamon N. Hestand #1343536

P.S. - I am not feeling well at all and I'm forced to endure pain & misery because of this madness that I have to try and fix somehow because of the terrible legal counsel I'm so sad it's crazy as hell but I'm trying...
